

# BIRMINGHAM METRO DIVERSITY COALITION

BirminghamMetroDiversityCoalition.org

## our mission

### The Mission of the Birmingham Metro Diversity Coalition is:

To serve as a catalyst for one community living in harmony, where diverse, independent leaders create understanding, justice, and unity through honest dialogue, principled advocacy, and courageous engagement on issues related to human dignity and equality;

To create systematic, constructive dialogue among broadly-representative leaders to build community, consensus, and action agenda on issues related to Birmingham metro area's growing diversity; and

To support the missions and activities of its member organizations.

## our purpose

### The Birmingham Metro Diversity Coalition WILL:

Recruit and convene Birmingham area leaders at regular intervals to discuss issues related to human dignity and equality;

Invite members and member organizations to share information about their own missions and activities;

Invite members and member organizations to support others' missions and activities as may be appropriate, and

Take collective actions to promote community understanding, justice, and unity.

### The Birmingham Metro Diversity Coalition WILL NOT:

Supplant or undermine any member organization's mission and activities; or

Take partisan political stands or support candidates for political office.
